Funding Opportunity for Secondary Analyses of Data on Early Care and Education

Posted on behalf of the Office of Planning, Research and Evaluation (OPRE) in the Administration for Children and Families, U.S. Department of Health and Human Services

The Office of Planning, Research, and Evaluation (OPRE) in the Administration for Children and Families (ACF) is soliciting applications for Secondary Analyses of Data on Early Care and Education Grants. Analyzing existing data sets may provide researchers an efficient and cost-effective method for answering critical research questions. This funding opportunity aims to support researchers conducting secondary analyses of data to address key questions relevant to early care and education programs administered by ACF, in particular the Child Care and Development Fund and Head Start/Early Head Start.

Due Date for Letter of Intent: March 2, 2020
