Child Development Journal: Call for Reviewers to Serve as Statistical Consulting Editors

Statistical Consulting Editors (SCEs) act as volunteer **'super reviewers'** across the *Child Development* Editorial Board with a focus on statistical data. Similar to a regular reviewer, Statistical Consulting Editors receive invitations to review papers based on editor need, however they are also identified as a 'go-to' reviewer of statistical materials amongst editors and agree to handle ~10 papers annually.

Contact incoming Editor-in-Chief Glenn Roisman (roism001@umn.edu) and the SRCD Publications Office (mlutchkus@srcd.org) today to learn more and volunteer your expertise as a *Child Development* Statistical Consulting Editor.
