SRCD response to U.S. Office of Science and Technology Policy's Request for Information Regarding Public Access to Research

AUTHOR

The Society for Research in Child Development has submitted a letter to Dr. Kelvin K. Droegemeier, the Director of the United States' Office of Science and Technology Policy, regarding an executive order on public access to federally funded research, including a proposed zero-day embargo for release of publications (FR Doc. 2020-06622 - *Public Access to Peer-Reviewed Scholarly Publications, Data and Code Resulting From Federally Funded Research*).
