Ask the Experts: A New Webinar Series by the Society for Research on Adolescence

Posted on behalf of the Society for Research on Adolescence (SRA)

The Society for Research on Adolescence (SRA) is offering a monthly webinar beginning in August. Their first webinar in their "Ask the Expert" series takes place on Thursday, August 6 at 12:00 PM ET and is **free to the public.** Panelists Larry Steinberg & Nancy Hill will debate whether students should return to in-person classes this fall in the wake of the COVID-19 pandemic. What risks do returning to school and interacting face-to-face with peers or staying home and continuing their education online pose on adolescents?

Join SRA Thursday, August 6 at 12:00 PM ET to find out!
