Child Development

Since its inception in 1930, *Child Development* has been devoted to original contributions on topics in child development from the fetal period through adolescence. It is a vital source of information not only for researchers and theoreticians, but for a broad range of psychiatrists and psychologists, educators, and social workers across the field. *Child Development* is published on a bimonthly basis.

2025 Journal Impact Factor Scores:	2025 Journal Citation Reports (Clarivate Analytics) Ranking:
2025 Impact Factor: 3.6	Psychology, Developmental: 18 out of 95.

Statement on Anti-racism, Equity, and Inclusion in SRCD Publications

As our highly regarded journals are perhaps the most public-facing element and explicitly gatekeeping mechanism of the SRCD enterprise, we must critically examine the extent to which our journals, Editors and Editorial Boards, reviewers and review standards, and Publications Committee activities implement practices and policies grounded in inclusive and anti-racist principles. Read the full statement.
