We are seeking nominations for the 2023 Biennial Awards! The SRCD Senior Distinguished Contributions Awards, Early Career Research Contribution Award, and the Outstanding Doctoral Dissertation Awards honor SRCD members' acclaimed work in developmental science across all career levels. The Awards will be presented at the 2023 Biennial Meeting in Salt Lake City, Utah, U.S.A.

Nominations for the 2023 Biennial Awards are due September 16, 2022.

How to use the Nomination site:

3. In the pop-up box, search for the person you wish to nominate by their first or last name. The search results will appear below the search fields. Click the "**Select**" button next to the person's name.

   NOTE: If the name of the person you wish to nominate does not appear in the search results—or if no records are displayed—please email scholar@srcd.org to troubleshoot.

4. After selecting the name of your nominee, you will be taken to a nomination form, with the nominee's name at the top of the page.
5. Complete and submit the nomination form.
6. Once you have submitted a nomination, you will see it listed in the "Edit Submission(s)" tab.

Changes can be made at any time up until the nomination deadline (September 9, 2022, 11:59pm ET). Make sure to click "**Submit and Review**" to record all changes! To submit more than one nomination, select the "**Submission**" tab at the top of the page and follow Steps 1-5 to create an additional nomination. You may repeat this process as many times as you'd like!

   NOTE: When starting an additional nomination, you will likely see the information from the previous nomination you submitted in the form fields. That is okay. The submission fields are not cleared when starting a new nomination, but your previous nomination was saved and recorded when you clicked

"Submit and Review." All of your completed nominations will appear in the "Edit Submission(s)" tab.
