Caucuses of the Society for Research in Child Development (SRCD) support the goal of integrating diversity in the broader society. Caucuses serve the purpose of providing support, networking opportunities, and dissemination venues for research by and about members of groups underrepresented in the study of child development. The Caucuses also advise about and advocate for diverse and inclusive representation on SRCD's Governing Council, Committees, Editorial Boards, Review Panels, and Task Forces. The SOGIE Caucus joins the Black, Latino, and Asian Caucuses.

We hope you will consider joining the SOGIE Caucus as we work together to build a vibrant, meaningful, and successful caucus. If you have any questions regarding caucus membership, please feel free to contact Stacey Horn at sshorn@uic.edu or Alice Donlan at adonlan@umd.edu. For general questions regarding SRCD membership, contact the SRCD Member Support Team at membership@srcd.org.

Please note: SRCD has a new Member Database, and all users will be prompted to create a new login and password in order to join the SOGIE Caucus. We apologize for the inconvenience.
