Free Data Workshop at NRCEC

A Focus on Head Start Family & Child Experiences Survey (FACES 2014) and Trends from FACES over Time: **A Free Data Workshop**

At this one-day data training workshop, researchers will be introduced to FACES 2014, it's purposes, new design, instruments, and data structure. The training will also focus on analyses of FACES data over time, including methodological, measurement, and analytic considerations.

Workshop is free, but spaces are limited. You must be registered for the NRCEC to participate.

Location: NRCEC in Arlington, VA

Date: June 24, 2018, 9am - 4pm

Registration Email: contact@researchconnections.org

For more information, visit the Child Care & Early Education Research Connections website.
