Webinar: A Roadmap to Reducing Child Poverty from NASEM DBASSE

Webinar: A Roadmap to Reducing Child Poverty
by the National Academies of Science, Engineering, and Medicine
#ChildPovertyInHalf

Friday, April 26, 2019
1:00 pm - 2:15 pm

Join National Academies of Sciences, Engineering, and Medicine committee members Greg Duncan, University of California at Irvine, and Ron Haskins, Brookings Institution, for a webinar on Friday, April 26 as they present findings from the recent National Academies' report, A Roadmap to Reducing Child Poverty.

LaDonna Pavetti, Center on Budget and Policy Priorities, and Cara Baldari, First Focus, will join the post-presentation discussion to offer their reactions to the report.
