Fellowships

Active SRCD Fellowship Programs

SRCD U.S. Policy Fellowship Program

SRCD offers a U.S. Policy Fellowship Program, with placements in federal agencies, state agencies, and U.S. Congress. The Fellowship offers immersive opportunities for researchers to learn about policy development, implementation, and evaluation, and how to use developmental science to inform public policy.

AERA-SRCD Early Career Research Fellowship in Middle Childhood Education and Development

This fellowship provides a 2-year collaborative opportunity for early career scholars to participate in a research network focused on middle childhood education and development. The purpose of this initiative is to build an early career cohort of scholars with integrative interests and expertise at the nexus of child development and formal/informal education and learning in their broader social context.
